TERMS AND GENERAL INFORMATION

CONDITIONS OF SALE

All bidders must have established credit with us or send a deposit equal to 25% of their bids. We reserve the right to refuse bids or to demand payment before delivering lots unless entered according to these terms. The right to withdraw or group lots is also reserved.

DOUBLE CHECK YOUR BIDS. Be sure you bid on the lot you intend to buy. We will make all reasonable adjustments in case of error by the cataloguers but cannot be held responsible for your errors. All lots are accurately described as to condition and guaranteed genuine unless otherwise indicated. LIST YOUR BIDS **PER LOT.**

ADJUSTMENTS will be made within 10 days after the sale only. **NO COINS MAY BE RETURNED WITHOUT THE WRITTEN PERMISSION OF THE CATALOGUERS.**

PAYMENT: Unlike approval consignments, lots purchased for you at auction are bought against your direct order and you are expected to pay for them promptly. All accounts are payable immediately upon receipt of invoice or material. Payment may be made in any manner most convenient to you; check, money order or (by registered mail only) cash. Stamps with full gum and in denominations of 3¢ will be accepted in amounts totaling $1.00 or less. **All lots remain our property until final settlement.** A receipted bill will be sent only on request and receipt of a self-addressed stamped envelope.

NO COMMISSION IS CHARGED FOR EXECUTING YOUR BIDS. Instead of the 5% usually charged, there will be a nominal flat rate of 50¢ (maximum) to cover packing, handling, postage and insurance. This flat fee of 50¢ covers one lot or 100 lots and will not place the bidder wishing to acquire the more desirable pieces at a disadvantage

NO UNLIMITED BIDS WILL BE ACCEPTED AT THIS SALE. Bid liberally on any lots you are especially anxious to acquire. In executing your bids, we act as your agent and will buy for you as much under your bid as the next highest bid will permit. All bids are entered in strict rotation according to their postmark; duplicate successful bids on the same lot will go to the bidder first submitting his list. If, for any reason whatsoever, any lot sold cannot be delivered, the sale will be cancelled.

All mail bids are strictly confidential and no information concerning them will be given.

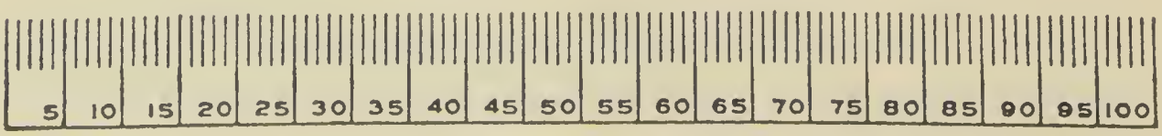
THE PLACING OF A BID SHALL CONSTITUTE THE BIDDER'S ACCEPTANCE OF THE FOREGOING TERMS OF SALE.

INQUIRIES will be cheerfully answered concerning any particular lots that interest you. Please include a self-addressed stamped envelope for a prompt reply.

PLEASE MAIL YOUR BIDS EARLY to allow enough time to enter them before the sale and avoid possible disappointments. At our last sale, a number of bids were received too late to be entered.

THE MAILS MAY BE A LITTLE SLOW. Please allow a period of two to three weeks before notifying us of non-delivery.

SIZES OF COINS AND MEDALS
in this catalogue given in millimeters



PLEASE NOTE: Suggested valuations are indicated in parenthesis after each lot. These valuations are approximate current market prices and are offered as a guide to prospective market buyers. You may, of course, bid more or less than these prices.

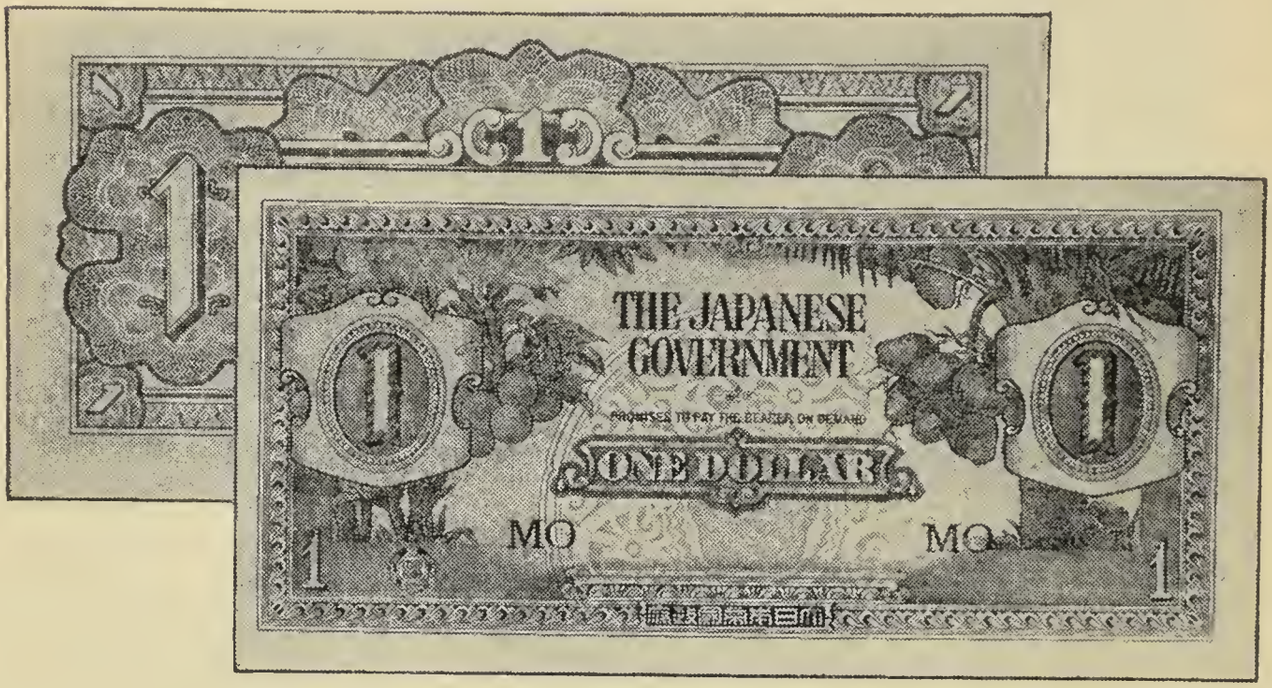
JAP NOTE FOR INVASION OF UNITED STATES?

Under the above caption there appeared in the May, 1946 issue of the *Numismatic Scrapbook*, page 600, an illustration of a five dollar note with the obligation "THE JAPANESE GOVERNMENT PROMISES TO PAY THE BEARER ON DEMAND FIVE DOLLARS". This note being one of a set in the denominations 1¢, 5¢, 10¢, 50¢, $1, $5, $10, $100, and $1000, now available and said to have been issued for the contemplated invasion of Hawaii, Alaska and even the United States.



From the nature and quantity of invasion money issued, the Japanese had great ambitions of conquest prior to their rude awakening by the Allied Armed Forces. Issues brought to our attention to date include the Philippine Islands Dutch East Indies, Australia, Borneo, Sarawak, Malaya and the so-called United States issue.

The issues for Philippine occupation are the most common; those of the Dutch East Indies come second, but we have found them to be far fewer in number and much more scarce. All other issues are quite scarce and no large quantities have been offered. It would, therefore, appear that the notes here offered will be scarce and become widely sought.

In so doing, we hope to render a service that will be modern and streamlined to show every improvement possible in this line of selling which will benefit the collector or estate interested in liquidating their collections or duplicates.
